

Dear Parents,

Thank you for booking our afternoon care. Here we offer your child a safe environment where children can play, rest and engage in constructive activities under caring supervision. Special attention is always paid to the emotional and social needs of the children - after all, it is a long day of learning for the children.

The afternoon care team would like to give you a brief overview of the programme so that all parents have a better idea of what happens after the classes are done:

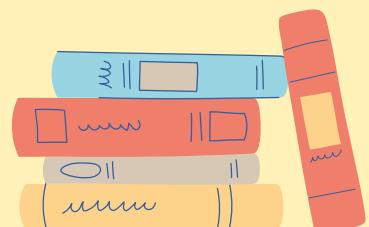

Official start of the afternoon care: from 1 pm.

- **Check-in of the children**
- **Mondays: Board games**
- **Tuesdays: Art projects**
- **Wednesdays: Xhosa with Mama Esther**
- **Thursdays: Ball games**
- **Fridays: German children's films and series with popcorn**

Snack and free play: from 3pm

- **Healthy snack for all children at 2:45 p.m.**
- **Supervised free play time**

End of afternoon care: at 5pm

General information:

Please let us know if your child still wants or needs a nap. We provide small beds and a quiet room which is supervised by a staff member. To make it more comfortable, please bring a blanket and pillow for your child to use.

Afternoon care ends at 5:00 pm sharp. Late pick-up will incur a fee as per our late pick-up policy.

You will find an afternoon care check out list at the entrance. This list must be signed each day when you pick up your child.

Please remember to inform us if your child is being collected by someone else. Only authorised persons are allowed to pick up your child. If your child is regularly picked up by someone else, e.g. a grandma or au pair, you can indicate this on the online booking form for afternoon care.

Parents must notify the afternoon care team or the nursery office by phone or email if the pick-up time changes.
