

## Rebates

### General Rebate – to be applied for annually:

A general rebate can be granted on written application to the treasurer of the St. Martini Pre-Primary School. At his discretion a rebate of up to 25% may be granted per term or year, depending on the circumstances of the parents.

All applications have to be submitted with supporting documents (proof of income, tax return, bank statements etc.).

Applications must reach the bursar before the beginning of the term and do not apply retrospectively.

### Sibling's Rebate:

A sibling's rebate of 15% of the school fees for the second and subsequent children who have older siblings still enrolled, is available on written application to the bursar of the St. Martini Pre Primary School.

Applications must reach the bursar before the beginning of the term for the remainder of the school year.

## Notice Period

As per our contract, a notice period of one term is applicable. I.e. a notice that the child is leaving our school at the end of the first term has to reach our office, in writing, on or before the first day of school of the first term.

## Deposit

We are always grateful if parents donate the deposit to the Kindergarten. As a non-profit organization we depend on donations to maintain our standard of educational materials and equipment. Otherwise the deposit paid, when the child joined our Kindergarten, is refundable on written request. Please send us an email with your banking details. Refunds will normally be paid after the end of our financial year.
